

## Let's Put On A Show

Color in the picture and feel free to add more characters, props and scenery to the picture. Once you have completed the picture answers the questions below

What is the name of the play that the actors are putting on?

What are the names of the characters that you see on the stage?

What is happening on the stage right now?

Give a brief description of what you think the play that they are putting on is about.

Write a short scene to go with the picture . The scene can be just dialogue (characters talking back and forth) or you can create a musical scene complete with singing and dancing. Have fun!
