# Create Your Owl Character

A CHARACTER helps tell the story of the play and is played by an actor. COSTUMES help transform the actor into the character that they are playing. Color and assemble your costume mask then answer the questions below to help create your character. Let your imagination take flight!

If you were an owl how would you move around in the world?

If you were an owl what sounds would you make?

What do you think it would feel like to fly?

Where would you travel and what sights would you see?

What sounds would you hear?

What smells would you smell?

What would you eat and how would it taste?
